Declaration of accession and binding commitment (Status June 2021)

Hereby I[1)] declare my accession to Tennisverein Aachen - Vaalserquartier 1986 e.V., with recognition to the following **terms of admission**, the **articles of association** ("Vereinssatzung") and the current **membership fee's** fixed by the general meeting of members.

I commit to use the sports facilities with discernment, to discharge the membership fee in time and to fulfil the following commitment to personal contribution ("Eigenleistung").

Note: Without termination in writing, the current membership will automatically be extended by one year (not in the case of a 2 month trial membership). In case of termination for the following calendar year, the (administrative) office has to be informed not later than 30th of September by an informal e-mail/letter, a status change (active / inactive) not later than 31st of December.

This does not account for the 2 month trial membership ("Schnuppermitgliedschaft") or the beginners training course for adults ("Trainings-Schnupperkurs für Erwachsene") .
